# WENTWORTH

COMMUNITY HOUSING

Wentworth Community Housing Limited is a not-for-profit housing company providing affordable, rental housing and other housing assistance to eligible people who are on low to medium incomes.

The main clusters of housing managed by Wentworth are in the Penrith, Blue Mountains, Blacktown and Hawkesbury Local Government Areas

Wentworth manages almost 1600 properties (at June 2010) and is set to grow to more than 2000 properties by December 2010. Around 600 of these properties are in the Hawkesbury Area

The opening of the new branch office brings a much needed direct contact point for our tenants in the area.
